

VILLA ESPADA

CAP CANA · DOMINICAN REPUBLIC

4 NIGHTS · BEACH, ADVENTURE & PAMPERING

The 4-Night Mother–Daughter Escape

A relaxed four-night getaway built for mothers and daughters over spring break — beach-club days, a cenote-and-zipline adventure, in-villa spa time, and one dressed-up dinner by the sea. Excursion tickets and restaurant reservations are arranged by the butler; the private chef flexes the kitchen around your days out.

Day	Plan
1 — Arrival	Land at Punta Cana (PUJ, ~20 min); private airport transfer included. Groceries and favorites pre-stocked. Settle in by the pool or the rooftop infinity terrace, then a first dinner in with the private chef.
2 — Beach Club Day	A full day at the complimentary Eden Roc Beach Club (not available Christmas, New Year and Easter; food & drinks paid at the club). An easy ~8-minute cart ride to Juanillo Beach adds a second beach-club afternoon.
3 — Scape Park	Hoyo Azul cenote swim, zip lines and cave trails (~7 min by cart; tickets purchased separately). Back to the villa to unwind by the pool; a casual chef dinner.
4 — Spa & La Palapa	A slow morning, then mother–daughter massages with the villa’s two in-house masseuses (\$60 per hour, per person). In the evening, a smart-casual dinner at La Palapa by Eden Roc — the beachside restaurant at the Eden Roc Beach Club, seafood and pasta over the water (reservation arranged by the butler; dining paid at the restaurant).
Departure	Check-out 11:00 AM; private transfer back to Punta Cana (PUJ).

The villa spa. The spa — two massage beds, indoor and outdoor showers and an infrared sauna — is free for guests to use; only the masseuses’ time is billed. A 90-minute massage is \$90 per person at the villa, about \$180 for a mother and daughter, versus roughly \$450 each at a resort spa.

Meals Made Easy

Meal plan (per person, per day, min. 6)	Full day	Half day
Breakfast only	\$24	—
Basic — breakfast, lunch & dinner	\$48	\$38
Silver — breakfast, lunch & dinner	\$72	\$58
Gold — breakfast, lunch & dinner	\$105	\$84
Vegetarian	\$54	\$44

Because the villa includes a private chef, these plans carry **no extra chef fee**. Meal plans are priced for groups of six or more; for a smaller party the chef cooks à la carte, with food and groceries billed at cost plus a 15% service charge, with no restaurant markup. Beverage plans \$18–\$109 per person, per day.

Make it yours. Add a sunset catamaran sail, a beach picnic packed by the chef, or a movie night in the outdoor lounge — the butler arranges it all around the four nights.
